To Whom It May Concern,

Department of Dance
8000 York Road
Towson, MD 21252-0001

I am happy to write a letter of recommendation for Xedera Townsenc. I have had the pleasure of teaching Xedera in my Jazz II class and also being a mentor to her for the past year and a half. The jazz class focuses on performance quality, strength in movement and building upon the foundation of Ballet. Xedera works very hard and is always looking to improve. She works well with others and I enjoy watching her grow as an artist.

i have also had the pleasure of mentoring Xedera for a few shows that she presented her choreography in. She is a very talented choreographer and I am always amazed at the finished product. She has great vision and is able to take suggestions and make them her own. She is also a wonderful performer and a joy to watch.

Xedera has a great personality and is a pleasure to be around. I'm sure whatever challenges she faces in life she will rise to the top because of her great work ethic.

Sincerely,

A handwritten signature in black ink that reads 'Tracie Burton-Hooper'.
